LINCOLN MIDDLE SCHOOL ART CLUB HOSTS FUNDRAISING NIGHT AT MCDONALD'S RESTAURANT

WARREN, MI – The Lincoln Middle Art Club is hosting a fundraising night at McDonald's Restaurant on Wednesday, October 28 from 5-8 pm.

Fifteen percent of the proceeds from purchases will go toward future field trips for the Art Club. This year the Art Club is interested in serving ill patients at Children's Hospital during the holidays by doing craft activities.

During the week October 19, students from the Art Club were invited by McDonald's to paint the restaurant's playroom for Halloween. Students arrived at the restaurant every morning from 6-7:30 am to paint the playroom. During the fundraiser the students will "show off" their hard work.

McDonald's Restaurant is located at 23000 E. Nine Mile Road, at the northeast corner of Van Dyke.
